**Where My Heart Will Take Me  
(Générique Enterprise)**

It's been a long road, getting from there to here.  
It's been a long time, but my time is fin'lly near.  
And I can feel a change in the wind right now,  
Nothning's in my way.  
And they're not going to hold me down no more,  
No they're not going no hold me down.

'Cause I've gor faith of the heart,  
I'm going where my heart will take me,  
I've gor faith to believe... I can do amything.  
I've gor strenght of the soul,  
And no one's going to bend or break me,  
I Can reach any star, 'cause I've got faith.  
I've gor faith.  
Faith of the heart.

It's been a long night,  
Trying to find my way,  
Been through the darkness,  
Now I'll fin'lly have my day.  
And I will see my dream come alive at last.  
I will touch the sky.  
And they're not going to hold me down no more,  
No they're not going to change my mind.

'Cause I've got faith of the heart,  
I'm going where my heart will take me.  
I've got faith to believe... I can do anything.  
I've gor strenght of the soul,  
And no one's going to bend or break me.  
I can reach any star, 'cause I've got faith.  
I've got faith.  
Faith of the heart.

I've known a wind so cold, I've seen the darkest days.  
But now the winds I feel are only winds of change.  
I've been to the fire, and I've been to the rain,

But I'll be fine.

'Cause I've got faith of the heart,  
I'm going where my heart will take me.  
I've got faith to believe... I can do anything.  
I've got strength of the soul,  
And no one's going to bend or break me.  
I can reach any star, 'cause I've got faith.  
I've got faith.  
Faith of the heart.
